**TREASURER REPORT:** Budget right now is \$53,000 for the year. With all events we had prior year we were over budget last year. Carnival being our biggest fundraiser and being canceled last school year we do not know what to expect for this year so far. PTC raises money through all the school events and saves money to use for the year and for the following school year. Our goal this year is to find creative ways to raise money so we can start with our \$40,000-\$50,000 budget for the next school year.

**ABOUT PTC:** Red Bank receives funds from the District, but it is not enough to cover for everything needed at the school. PTC is a group that creates all the fundraising and fun events that enhanced the students educational experience. Some examples of what PTC has done and funded in prior years was the Markees School Sign, Walkie Talkies, LED Stop Signs, School Staff Wish List, Music program Ukuleles and Bassoon, Staff appreciation, Sports program uniforms. We help teachers and students with everything they need.
